Motion for Sanctions for Rule Violation

Comes now the petitioner, pro-se in the Above-styled Cause and respectfully moves this Honorable Court to impose Sanctions for violation of the final court order handed down by U.S. District Judge Keith Ellison on March 15, 2020 to have A/C in all the Texas prisons.

In June 8th, 2018 Judge Ellison decided the civil Action for the plaintiff And entered his final order for TDCJ executive Director Mr. Bryan Collin Defendants by March 15, 2020 all prison units must be equipped with A/C. It has now been over two years since Judge Keith Ellison had given his final order of March 15, 2020 to have all TDCJ prison units must be equipped with A/C. So now TDCJ prison system under the controlling Authority failed to comply with the Mandatory Court order, so therefore petitioner requests that Sanctions now be placed on the Executive Director Mr. Collin till each prison unit will have all A/C in each of their cell blocks.

Petitioner is entitled to relief sought in this Cause of Action is to enforce the Sanctions until each prison unit has A/C. As the honorable Judge Keith Ellison ordered in his Mandatory final order of March 15, 2020 which now has been violated for two years now.
